The University of Montana track team makes its second appearance of the spring Friday afternoon in Spokane, Washington. The Grizzly cindermen face host Spokane Community College, North Idaho College and a number of open entries from track clubs in the Spokane area at 2:30 p.m.

"I'll be looking for improvement by our athletes and welcome competition more at our level," Coach Harley Lewis said. The Grizzlies managed only 16 points in a meet with Washington, Idaho, and Club Northwest last weekend in Seattle. It was UM's first outing and the lack of previous competition hampered the Grizzlies. The other teams in the meet had three or four prior meets.

Spokane Community College and North Idaho have strong track programs. North Idaho has a 9.6 sprinter in Ron Owens and high jumper Gordon Allured cleared 6-7 last year while competing for the University of Idaho.

Spokane Community is laden with talent. For example, Randy Rolph, Greg Gustafson and Steve Wilson have all run under 4:13 in the mile and Howard Banks is a 52-foot shot putter.

Lewis said he would take a 25-man squad to Spokane, Montana's entrants by event are:
100--Mark LaTrielle and Del Spear
220--Ric Brown and Mark LaTrielle
440--Hal Anderson and Brown
880--Hans Templeman, Bob Bronson, Randy Hultgren and Dale Wicks
